38th Annual Augusta Camper & RV Show
Augusta Civic Center
Augusta, Maine
March 12-14, 2010

February 16, 2010

The 38th Annual Augusta Camper & RV Show has been postponed until March 18-20, 2011. Due to a lack of dealer support, America's Best Shows, Inc. has announced the postponement until March 18-20, 2011 with a set up day on Thursday, March 17, 2011. All contracts and deposits will be applied to next year's show.

We strive to produce all shows up to our standards, which includes a large selection of campers that will give our patrons a wide variety to look at, compare, and purchase.

Hopefully, the RV industry is recovering from its worse recession since its origin in the 1960s and 1970s. We regret this announcement, however, due to a lack of dealer participation and a lack of factory co-op support to dealers, we find it difficult to continue to produce this show until the industry has recovered. We want all patrons and all dealers to have a very productive show in 2011.

Contracts are annually renewable June 1 and the same policy will apply.

Thank you for visiting our website. Please check back with us often. We hope you will have a great RV season.

Thank you.

Sincerely,
Robert J. Cole, President
